

Women's Ministry
**2020 FM Women's Retreat
Scholarship Application**

The Women's Retreat promises to be a great time to connect with your fellow sisters in Christ, both from Beach Lake Free Methodist Church (BLFMC) and beyond. It is also a great opportunity to reconnect with Christ and rejuvenate your own relationship with Him.

However, we recognize that there are seasons in life that make the expense of a retreat seem out of reach, but it is our hope that every woman who desires to attend a retreat can do so! Our hope is also that those who receive scholarships experience a turnaround in their personal circumstances enabling them to generously contribute to the scholarship fund in years to come!

Please complete the information below and return form to **Kaitlin Brodd**.
